Friends of the Duarte Library

How we began 50 years ago

With a nucleus of members from the Duarte Woman's Club, the Friends of the Duarte Library was formed in 1961. Aloysia Moore, was elected as the organization's first president. Mrs. Moore, who had been instrumental in the formation of library service in Duarte, was appointed Library Regional Council Member to the Advisory Board for the County Library. She promptly began plans to provide a larger facility and with the considerable help of the Duarte Woman's Club, the County Librarian, William Geller and his staff, as well as the citizens of Duarte, a new facility was dedicated in 1966. This year, the Friends of the Duarte Library is proud to celebrate its 50th anniversary. We invite you to become a friend in support of our Duarte Library to help enhance the programs and services available to the community.

How your support helps our Duarte Library

The Friends of the Duarte Library promote community support for the library and provide funds to supplement the purchase of books and publications. Funds also support special library programs and the Summer Reading programs for children and teens. The Friends of the Duarte Library

also promote books and reading with its signature annual event, the Duarte Festival of Authors.

Friends make a positive difference in the community

- Purchased over \$7,000 of new books and publications for the library in 2010.
- Created a special teen space in the Duarte Library with new furnishings, carpet and books.
- Provided funding for Summer Reading programs for children and teens.
- Awarded scholarships to students of Duarte High School and Mt. Olive High School.
- Presents the annual Duarte Festival of Authors the first Saturday in October. The festival showcases dozens of authors in talks and book signings.
